

Ogden Woman Is Medalist In State Golf Tourney

**JOHN AUSTIN

**Derans Third Sacker of
the Browns Gray-Haired
but Swings Wicked Club**

By BILLY EVANS
HIS way to his fortieth birthday and still soaking doubles and tripling the American league—James P. Austin, of the Browns, is a man who says youth must be served. Many athletes can boast of a record. When most of them are in the prime of life, he is in the decline. He is a man who is still useful enough to handle the job without disgracing himself or his team.

Austin's return to the third corner of the St. Louis Browns occurred several weeks ago. Of course, it was just temporary assignment, due to an injury to Frank Ellerbe.

CHEERED BY THE FANS
Austin arrived at third base with a lot of cheering from the fans in his first game. He was against the Washington Senators. The pitcher was Walter Johnson and Walt is fast enough to buzz them past the end of the swings of the batters.

The start of the eighth inning, there was a tie, 5 to 5. Johnson was in the scrap. Johnson had hit Sisler and Williams, mighty

of ball. Jacobson had failed to hit out of the infield, and Austin had been stopped on his way to the first baseman. The Browns were up in their eighth, and two out, Williams walked. Austin was the better. He hit the ball, jerked cap and belt, and he was in the air. He sent the ball to the plate. Austin hit and swung. He sent a line against the right field fence for a double, winning the game for the Browns.

PRETTY FINE DEBUT
Austin made his debut for a 40-year-old sub. He has passed out as a regular player, but he is valued. He has been the Browns to be retained. The past two years he has led at least a dozen offers to leave the club, but the Browns refused to part with him. They value him as a peppy coach and to keep everybody moving, for Austin is a dull moment in a game in Jimmy Austin's hands.

Austin was born December 8, 1882, in Kansas, Mo. He started his career with Dayton, in the Central league, in 1904. He moved to Omaha in 1907, and showing a record of 97 in 1908, was sold to the New York Yankees. He joined St. Louis in 1911, in a trade for Roy Hartman, and has been with the Browns since.

**BIG SERIES
TAKES STAGE
WEDNESDAY**

**Ogdenites Favor Yankees
to Win World Series
This Season**

Which is your choice?
Yankees or Giants?
The consensus of opinion among some of the real duds in the world of sports is that the Yankees are the big odds. Roughly speaking, the percentage is about 80 to 20 for the Yankees to grab the championship series which opens at the Polo Grounds, New York, Wednesday at 12 o'clock noon Ogden time.

When the 1921 series play got underway the Yankees were heavy favorites, yet the Giants noted them out by taking the final contest, 1 to 0. Johnny Rawlings, former Ogden player, in the days of the Union association, was a Yankee rally in the final game of this game by making a wonderful story of a hot grounder.

This season the Yankees have a far better pitching staff than the Giants. This alone should play a big role in their victory in the short seven game series, come say.

Babe Ruth, dethroned home king, may surprise some of the natives with the willow. Bullet Joe Bush is a clutch to win at least two games. Schang's catching and Scott's work at the shortfield are big items. Thus you have some of the subjects which are attracting attention at this time in Ogden.

The Standard-Examiner, operating a direct wire from the ballfield in New York to the front window of the newspaper, will give first hand information of the series, play by play. It matters not whether you are a Yankee or an ardent Giant fan join the crowd and get that same service which is offered liberally to Ogden fans. Remember—75 cents Ogden time. Be on deck and root for your favorite.

**TIGERS WILL
BATTLE FROSH**

Ogden high school footballers will engage the Utah Aggie freshmen eleven at Lorin Park Friday at 2:30 o'clock, according to an announcement made today by Coach Dixon Kappale. This contest will be the third of the year for the Tigers.

The Aggie freshmen team will feature all-star players on the gridiron. Floyd Thomas and Schang of the Ogden high of 1921, and Love of Davis are the three strong men expected to star against the Tigers. Other stars from other schools who were injured last year are also represented on the Aggie team.

Coach Howard McDonald has been giving his charges plenty to do since meeting defeat at the hands of the varsity last Saturday, with the hope of adding a few scraps to his list before the season closes.

Thomas will hold down the quarterback position with Schang at fullback. Love will be pitted at right end.

Thomas was recently named to captain the A. C. Green warriors.

Coach Dixon Kappale says Ogden will give the Aggie freshmen plenty to do. Tommy Norton, captain of the Tigers, who was injured last Friday in the Granite game, will be back. Norton received an injury to his left leg but says that he will be in the game.

Darrel Clark, Sullivan, Cox, Cheez, E. Smith, Zinn and B. Smith are some of the other members of the team expected to star Friday.

Due to the fact that this will be the first opportunity for Ogdenites to witness the Tigers in action, a record crowd is expected.

FIGHT TAME BATTLE**

**Giant Third Sacker Likes Motoring
Mr. and Mrs. Groh Outdoor Lovers**

GROH OWNS HIS OWN OVERALLS AND LIKES TO WEAR THEM.

BY DUDLEY SIDDALL
NEW YORK, Oct. 3.—If Ohio ever loses the beautiful woman championship won recently by Miss Campbell of Columbus the Buckeye state has got it back by entering Mrs. Heinie Groh, native of Cincinnati, the Giants' star third sacker's wife.

She's more than beautiful, for she is endowed with all the wifely virtues that a serious-minded ball player like Groh needs to back him up.

Groh is no temperamental impresario. On the contrary, he possesses any amount of good nature and an exceedingly likable personality. A bitless day gets clear under his hide, and the end of the season finds him with nerves keyed up to the last notch.

INTO THE MOUNTAINS.
As soon as the world series is over," said Mrs. Groh, "we're going up into the mountains for a whole month's rest. A quiet vacation is the best kind of tonic for a ball-playing man at the end of the summer."

Like most baseball stars' families, the Grohs occupy a furnished apartment in New York during the season. Automobileing is their principal recreation. In the off hours this summer they have visited most of the points of interest around New York.

Groh's car isn't the kind that requires much repair work, but he owns his own overalls and likes to wear them when occasion demands.

LIVE IN THE SUBURBS.
Winter finds the Grohs in Cincinnati, where they live in a suburb with Mrs. Groh's parents, Mr. and Mrs. M. H. Bender.

Heinie manages to get in quite a lot of hunting and fishing, and with Mrs. Groh spends some time in Rochester, N. Y., where he owns a bowling alley.

"I don't devote much time to business outside of baseball," said Groh, "for baseball is business enough."

It seems to be characteristic of ball players' wives to follow the game closely. Mrs. Groh is no exception.

"Dad was, and is, a great fan," said she, "and I guess I take after him. I've been tremendously interested in baseball ever since my school days."

Among the amateurs "Chick" Evans has made the finest showing of the last three years. He won in 1920, reached the last four in 1921 and came to the final in 1922. Considering the growth and development of the game, this is one of the most consistent performances now upon the books. It is complete proof of the extreme soundness of "Chick's" game and his great improvement around the green, where he is now a match for any one.

**"Big Six" Will
Witness Series**

NEW YORK, Oct. 3.—"Big Six," victorious in the battle for life, is coming back to the scene of his greatest diamond triumphs.

Idol of New York fandom for more than a decade and hero of one of the greatest world's series triumphs in history, Christy Mathewson will return to witness the battles between the Yankees and Giants. It will be the first real game "Matty" has seen in three years, since he began and won the fight for health shattered by war experience.

Out of more than a decade of bright pitching achievements, "Matty's" record of three shutouts in the 1905 series, when the Giants defeated the Athletics, stands by itself in a niche of the hall of fame. He also was with the Giants in the series of 1911, 1912 and 1913.

**\$75,000 OUTFIELDER
WEDS WYOMING GIRL**

LOS ANGELES, Cal., Oct. 3.—Jimmy O'Connell, outfielder of the San Francisco club of the Pacific coast baseball league, who was sold this season to the New York Giants for \$75,000 and Miss Esther Margaret Doran of Casper, Wyo., were married here Monday at St. Thomas' church.

Every effort was made to keep the marriage a secret, and only members of the immediate families were present. O'Connell had asked a brief leave of absence on the ground of illness.

The O'Connells will make their home in San Francisco this winter and will leave for New York early in the spring.

**BOXER EXONERATED
BY CORONER'S JURY**

PITTSBURGH, Pa., Oct. 3.—Sammy Ciminelli, welterweight boxer of Youngstown, Ohio, was exonerated by a coroner's jury Monday, which investigated the death of Billy Light of Wilmering, Pa., who sustained injuries in a bout with Ciminelli at McKeesport Thursday night.

**FLORENCE HALLORAN FAILS
TO ENROLL; NEW CHAMPION
WILL BE CROWNED FRIDAY**

Mrs. Archie Bigelow of Ogden Turns in Card of 101 in Heavy Wind Topping Field in Qualifying Round; Hard Fight Slated for Women Entered in the Championship Flight

BY AL WARDEN.
MATCH play in the eighteenth annual state golf tournament for women commenced on the links of the Ogden Golf and Country club today with Mrs. A. P. Bigelow and Mrs. F. W. Baker of Ogden and Mrs. Billie Sowles and Mrs. Fred Keyser of Salt Lake, big favorites to capture the state title. When the final round of play is completed here Friday a new state champion will be crowned. Miss Florence Halloran, five times winner of the state title, was delayed somewhere in the east, which will eliminate her from the play and automatically place a new champion in the record book for the 1922 season.

Miss Halloran has been competing in tournaments in all parts of the east. With the brilliant Salt Lake out of the tournament the fight for first honors promises to be keener than at any time during the past 10 years. Many of the women enrolled in the match play today are evenly matched and close contests will no doubt result.

Two of the youngest players in the tourney, Miss E. Wight of Salt Lake and Miss Ada Child of Ogden, who turned in good scores in the qualifying round Monday, will meet in the first round today. These two women are new at the game, but have shown remarkable ability.

WIND HAMPER PLAY.
A heavy wind blowing northeast over the course hampered good scores Monday. Par for the course, which is 74, was passed by all of the golfers, the lowest score being 101, being turned in by Mrs. A. P. Bigelow, who was the medalist.

Mrs. Billie Sowles of Salt Lake, with a score of 105, was second. She displayed remarkable ability with the maulie shot.

Long drives were featured by Miss Ada Child and Mrs. D. D. Muir.

Play in the first flight will see each player with a handicap. Lewis Cook, professional, at the local club announced.

PLAYS GOOD GOLF.
The playing of Mrs. Bigelow Monday, while not spectacular, was consistent and stamps her as one of the big favorites to win the state title. She went out in 50 and came in in 51. Par for the 18 holes is 76.

The cards for Mrs. Bigelow and Mrs. Billie Sowles, medalist and runner-up follow:

Bigelow—
Out 56 64 84 5 64 7—50
In 56 64 65 4 87 7—51—101

University of Utah candidates will have another opportunity to display their ability against the Freshmen, according to an announcement made today by Coach Tommy Fitzpatrick. The second battle will be staged Wednesday evening. In a game between these two teams played last Saturday the Freshies put over a 7 to 6 victory.

Utah Aggies will get their first taste of 1922 Rocky Mountain Conference football Saturday at Provo, when they tangle with the Brigham Young university eleven. Coach Lowell Romney has been working his charges overtime and expects to see his team romp through the field for another conference title.

The Brigham Young university eleven, the infants of the conference, is coached by Alvin Twitchell, former Aggie athlete. Twitchell has a husky crew in tops and expects to make a banner showing during the first conference grid season for the school.

Springville high school defeated Provo high at Springville Monday, 7 to 0, in a Utah county game. The winning tally was registered late in the fourth period.

Crimson gladders of the University of Utah will engage the College of Idaho at Salt Lake Saturday in a game which is attracting considerable attention. This game will be played at Salt Lake and will commence at 2:30 o'clock.

Championship play in all of the divisions of the state in the interscholastic class will commence October 13. Five divisions will be represented in the championship play.

**BER TO MEET
LOGAN ELEVEN**

Weber college "Wildcats" will play on the gridiron at Logan Park Thursday at 2:30 o'clock against Brigham Young college team of the second contest of the season.

Anderson, captain of the Weber team, who has been on the injured list more than a week, is to don his spikes for this contest. Anderson is considered the big star of the Weber machine.

Charles Malcolm Watson and Mervyn Jones have been working hard their charges in an effort to have the Weber team in top condition for the game of the Ogden division October 13.

The battle staged at Logan last night between the Weber and the Logan teams was a close one. The Weber team played only to be noted out in fourth period, the score being 7 to 0. The contest Thursday will be the big feature of Suburban football.

Players of the game in Ogden also have a chance to make a record of the two teams when a game is played between the Weber and the Logan teams on October 20, which will give each team ample time to get their legs in shape.

**ATELLO BOXER
KNOCKS OUT CALLI**

SALT LAKE, Oct. 2.—John Hanna, Ato boxer, knocked out Calli of Cleveland in two rounds here tonight. The bout was a scheduled affair.

Dirk Kid, colored lightweight, of Salt Lake, fought a draw with a draw. This decision did not well with the fight fans, many of whom thought Hanna was the winner. The colored boy was on his feet when the match
